Filipino Legacy Society Mourns the Passing of Founding Director Anthony M.M. Remedios

Vancouver, B.C. – February 20, 2026 – The Filipino Legacy Society (FLS) is deeply saddened by the passing of Anthony M.M. Remedios, a founding Director of the Society, respected lawyer, and dedicated community leader.

Anthony was part of the original group that helped establish FLS with a clear vision: to create a permanent Filipino cultural centre in British Columbia that would honour the past and serve generations to come. Through his steady counsel and unwavering belief in that vision, he helped move the project one step closer to reality.

After immigrating to Canada at the age of 18, Anthony built a distinguished 44-year legal career defined by integrity, discipline, and service. He strengthened connections between Canadian businesses and partners across the Indo-Pacific region, while also supporting countless families, newcomers, and young professionals as they built their lives in Canada. He was known not only for his legal expertise, but for his generosity with time, mentorship, and thoughtful guidance.

Within FLS, Anthony served as Director of Legal Affairs and was a trusted voice at the Board table. He brought clarity to complex matters, ensured strong governance, and consistently reminded us of the responsibility we carry to the broader community. His leadership was principled, steady, and rooted in care.

Anthony believed deeply in the importance of cultural legacy, that future generations should have a place to gather, learn, and celebrate Filipino heritage in Canada. That belief helped shape the foundation of our work today.

We extend our heartfelt condolences to the Remedios family and to all who had the privilege of knowing him. His legacy lives on in the lives he touched, the profession he strengthened, and the cultural centre he helped bring closer to fruition.
Filipino Legacy Society remains committed to carrying forward his vision with the same integrity and dedication that he exemplified.
